

Healthcare Transactions

McDonald Hopkins has an experienced healthcare transactions practice. We have executed hundreds of transactions for many types of healthcare facilities, providers, and other healthcare enterprises. Transactions include, but are not limited to, acquisitions and sales, mergers, joint ventures, recapitalizations, and reorganizations. Transaction sizes range from \$2 million to \$400 million in deal value.

Our services include pre-transaction planning, including tax and estate planning; pre-transaction due diligence to identify and mitigate potential deal issues and maximize enterprise value; transaction structuring; transaction due diligence; negotiation and documentation of transactions; structuring and documenting; transaction financings; governmental filings; assisting in post-closing matters.

Our team has executed transactions for a broad range of healthcare industry participants:

- Ambulance companies
- Autism centers
- Behavioral health facilities and providers
- Cancer treatment centers
- Clinical testing companies
